

MONTVILLE

The welcoming neutral color palette of the Montville collection easily elevates the look of any space with a touch of contemporary luxury and inviting comfort. Pops of green, yellow, and orange brighten up the range of patterns and designs in this versatile collection, including traditional, abstract, distressed, and even animal print! Regardless of your customers' home decor style and needs, they'll be able to find their perfect match in this diverse, durable collection. Machine-made using state-of-the-art, computer-driven looms and soft polypropylene yarns, these beautifully woven area rugs feature a low profile pile. Easy to clean and stain resistant/fade resistant.

- Soft Frieze Heatset Polypropylene
- 8 Fashion Forward Colors
- 11 mm Pile Height
- Machine Woven on State of the Art Computer Driven Looms
- Made in the USA
